Here is the house
Where it all happens
Those tender moments
Under this roof
Body and soul come together
As we come closer together
And as it happens
It happens here
In this house

And I feel your warmth
And it feels like home
And there's someone
Calling on the telephone
Let's stay home
It's cold outside
And I have so much
To confide to you

With or without words
I'll confide everything

Here is the house...
So we stay at home
And I'm by your side
And you know
What's going on inside
Inside my heart
Inside this house
And I just want to
Let it out for you

And I feel your warmth
And it feels like home
And I feel your warmth
And it feels like home

Here is the house
Where it all happens
Those tender moments
Under this roof
Body and soul come together

As we come closer together
