Who's gonna make me leave?
Who's gonna make me stay?
Who's gonna walk away?
And.. who's gonna make my day?

And how is gonna be?
And who's in the game to play?
If you want you will find me
But you don't wanna see...

How does it feel?
What do you know?
Is it the end?
I will tell you what it is..
How does it start?
Isn't it clear?
That I'll never be alright..
How do you know?
What does it mean?
That I'll never be alone..
That I'll never be alone.. wow oh oh oh..

You want to pressure me
You want to make me crazy!
You wanna rescue me
I thing that's pretty funny..

But you don't wanna see..

How does it feel?
What do you know?
Is it the end?
I will tell you what it is..
How does it start?
Isn't it clear?
That I'll never be alright..
How do you know?
What does it mean?
That I'll never be alone..
That I'll never be alone.. wow oh oh oh..

How does it feel?

What do you know?
Is it the end?
I will tell you what it is..
How does it start?
Isn't it clear?
That I'll never be alright..
How do you know?
What does it mean?
That I'll never be alone..
That I'll never be alone.. wow oh oh oh..

How does it feel..
How does it feel..

Oh.. lit doesn't feel..
