You once told me I wouldn't know it enough  
Well, let me tell you something  
Yeah, I do  
You once told me I wouldn't feel it enough  
Well, let me tell you that  
Baby, I do

Sometimes I find myself in a scene  
In a dream that's so far away  
Sometimes  
Tell me what's happened to me

Sometimes I see myself falling  
Although I don't show it much  
Sometimes I'm crazy for you  
Well, maybe I'm fine  
And tell me you're mine

Sometimes I find myself in a scene  
In a dream that's so far away  
Sometimes

Tell me what's happened to me

Tell me, baby, can you hold me now?  
You don't have to say it-I feel it, too  
And maybe I'm falling or maybe  
But I don't show it much

Tell me, baby  
Can you see me now?  
Show me baby that I don't know how  
How can I start to see inside the fog?

But sometimes I find myself in a scene  
In a dream that's so far away  
Sometimes  
Tell me what's happened to me

In a scene, in a dream that's so far away  
Sometimes  
Tell me what's happened to me...
