What a drag, what a waste of time  
Want more money or a life of crime  
Do as much work as an older man  
He gets much more money than I ever can

Gimme some, government action  
Gimme some, gimme satisfaction

Things are changing for the British kids  
You gotta be old to get money, yeah  
Can't afford a drink so I gotta stay bored  
Can't afford a bed, gotta sleep on the floor

Gimme some, government action  
Gimme some, gimme satisfaction

Gimme some, gimme satisfaction  
Gimme some, gimme government action  
Gimme some, gimme satisfaction, baby  
Gimme some, gimme government action
