Take no shit from anyone because Great Britain rules
We will fight the Communists, because Communists
are fools
Try to take our nation, and give it to the Paks
We won't take it anymore, we're gonna take our nation
backWhen we sing..

Chorus:

Paki, paki, get on that boat
Paki, paki, row
Paki, paki, get out of here,
Paki, paki, go, go, go, go, go...

They riot on the British streets, they're burning down
our land,
But the Labour government pour money in their hand,
Give them money, give them homes, ignore the British
whites
We won't stand and watch our land, we'll take it with a
fight

(Chorus)

Paki, paki, out! Out!
Paki, paki, out! Out!
Paki, paki, out! Out!
Paki, paki, out! Out!

We've got to love this land of ours, and fight to keep it
white
Never going to give it up, 'cause we know we're in the
right
And if they try to take it we will fight until the death
And in the end, the white man wins, because there
won't be no rest
when we say...

(Chorus)

Paki, paki, get on that!
Paki, paki, start to row!

Paki, paki, get of here!
Paki, paki,, go! Go! Go!
Paki, paki, out! Out!
Paki, paki, out! Out!
Paki, paki, out! Out!
Paki, paki, out! Out!
Fuck Off! Now go!
