On the streets of Ulster, the battle rages on
British people fighting for their land
Fought in two world wars for us, fought and died for
Britain

Gotta help them, support the Red Hand

Chorus:

Smash! Smash! The IRA!

Smash! Smash! The IRA!

Smash! Smash! The IRA!

Remember the victims of their bombs

Gotta change our policies and hang the IRA

Let the Army deal with them their way

Corrupt politicians and sniveling left-wing scum

Are quite content to let them get away

Come on Ulster!

(Repeat Chorus)

solo

(Repeat Chorus)

IRA supporters are marching on our streets

Are we gonna let them spread their lies?

Are we gonna let them march or are we gonna smash
them?

Laughing while the British people die

Come on Ulster!

(Repeat Chorus) x2
