Never reckoned much to mixing
People always mess me 'round
Always looking out for favours
Trying to bleed me into the ground

Chorus:

'Cause I'm a, yeah I'm the loner baby,
I'm the only one now,
Right I'm the loner baby,
Yeah, I'm moving on.
People always criticising
Telling me what I must do
I don't want nobody's advice
I ain't gonna listen to you.

(Repeat Chorus)

Middle Eight:

Like it much better when I'm on my own
I much prefer it when I'm all alone
I don't like nobody ruining my peace
I don't want nobody bugging me
Never trusted anybody
Never let nobody try
When somebody asks me questions
I don't never tell no lies

(Repeat Chorus) x2
