I wanna take your hand
And lead you to a promised land,
The writing on the wall's saying
God bless you all.
I'll lead you to a promised land.

Don't get so down on life
We're all tryin' to fill the holes inside
Sometimes they get too wide, honey
And some are hard to find
We're all tryin' to fill the holes inside

Ode to the loveless lost
When you just can't seem to shine away the rust
Sing it the way it's meant to be
There's no surprise
When I'm staring in your blue eyes

The years go by so fast
And it's hard to make the good things last
But don't stare into the night darlin'
It'll be alright
I know it's hard to make the good things last

Ode to the loveless lost
When you just can't seem to shine away the rust
Sing it the way it's meant to be
There's no surprise
When I'm staring in your blue eyes

Oh oh oh
Oh oh oh oh
Oh oh oh
Oh oh oh oh

Ode to the loveless lost
When you just can't seem to shine away and see
Beyond the dust
Sing it the way it's meant to be
It's no surprise
When I'm staring in your blue eyes

When I'm staring in your blue eyes
When I'm staring in your blue eyes
