Oh oh oh oh oh oh  
Oh oh oh oh oh oh

I can hear the ocean noise  
I can feel the pulsing crowd  
Buzzing like a radio  
Pumping like a disco sound  
I can see a burning sun  
Breaking through a raining cloud  
Just like my heartbeat heartbeat beating  
Through the town  
Lost forever

In love  
I am your favourite son  
I am a champion  
Oh I am the fire inside  
Of a loaded gun  
I am a champion  
Oh I am the fire inside

I don't wanna waste my time  
I'm just tryin' to find my way  
Racing through a perfect town  
Racing on a perfect day  
And sometimes when I close my eyes  
I listen to the words you say  
People love a rising star  
People love a rising star  
People love a rising star

In love  
I am your favourite son  
I am a champion  
Oh I am the fire inside  
Of a loaded gun  
I am a champion  
Oh I am the fire inside

In the window of my mind  
Where the wind blows

From time to time  
Where the seed grows  
The perfect vine  
Where whatever's yours is mine

In love  
In love  
In love  
I am your favourite son  
I am a champion

I am your favourite son  
I am a champion
