Ooh
short and sweet -
No sense in draggin' on past our needs.
Let's don't keep it hangin' on
If the fire's out we should both be gone.
Some people are made for each other

Some people can love one another for life -
How 'bout us?
Some people can hold it together

Last through all kinds of weather - can we?
Now don't you get me wrong
'Cause I'm not tryin' now to end it all.
It's just that I have seen
Too many lover's hearts lose their dream.
Some people are made for each other

...

How 'bout us
how 'bout us
baby?
How 'bout us
how 'bout us
baby?
How 'bout us
how 'bout us
baby?

Are we gonna make it
girl

Or are we gonna drift and drift and drift?
Some people are made for each other

...

How 'bout us
baby?
Some people are made for each other

...

How 'bout us
baby?
