#### RENDEZVOUS

Yes I had a dream  
Like a million kids from my home town  
We found love on dirty streets  
If I knew then what I know now  
From discotheque to home  
There was no place left for us to go

Now we're on the road to our Rendezvous  
With nothing, there's nothing to lose

How can you fly with your feet on the ground  
Take all of your dreams, let's get out of this town  
I'll meet you tonight and we'll run to the flame  
Just hold on, it's all right, it's our time  
To Rendezvous! these chains are broken

We restaurant racketeers  
Making plans to get us outta here  
She looked good against the highway  
As my hands were shaking at the wheel

Woh, still on the road to our Rendezvous  
With nothing, there's nothing to lose

How can you fly with your feet on the ground  
Take all of your dreams, let's get out of this town  
I'll meet you tonight and we'll run to the flame  
Just hold on, it's all right, it's our time  
To Rendezvous! these chains are broken

And when it's over and done you'll see it's alright boy  
You say that there's danger tonight  
But I say hold on! hold on

Just hold on, it's alright, it's our time

How can you fly with your feet on the ground  
Take all of your dreams, let's get out of this town  
I'll meet you tonight and we'll run to the flame

All of our chains will be broken

Hold on boy

Hold on

I'll meet you tonight and we'll run to the flame

Rendezvous
