Saltfish stew is what I like  
So doo-doo, give me day and night  
I like you food, so don't find me rude  
My favorite, I sure every man in here already eat it

Saltfish  
Nothing in the world sweeter than  
Saltfish  
English, colloquial, Bajans  
Saltfish  
It's sweeter than meat  
When you want to eat  
All saltfish sweet

Very well, I like the taste  
Though the smell, sometimes out of place  
It hard to take, but make no mistake  
I want you to know, it's because it extra sweet it  
smelling so boy it's

Saltfish  
Big money does run behind it  
Saltfish  
Man does lick down man to find it  
Saltfish  
It's sweeter than meat  
When you want to eat  
All saltfish sweet

Some like it hot, some like it cold  
No matter what, I take it young or old  
When it serve with wine, man does stew it fine  
Put no pepper, the bone in the centre does be sweet  
like sugar

Saltfish  
Some men does get drunk to taste it  
Saltfish  
Some does go and hide to face it  
Saltfish  
It's sweeter than meat

When you want to eat  
All saltfish sweet

I would die, a happy man  
If I close me eye, with piece in me hand  
Bury me, in the cemetery  
Any money, put a saltfish picture on me tombstone  
saying

Saltfish  
Sparrow was it's greatest lover  
Saltfish  
He even adored the odor  
Saltfish  
It's sweeter than meat  
When you want to eat  
All saltfish sweet

END.
