What's the hardest part of all this mess? And is there something I can do to bring you back? Make sure you can listen before you hear. All of the reasons to hold on. Have you lost yourself completely? Try to make up your mind.

Live your life. Look in the mirror. Everything you love is here. I should have bled. I should start over. But yesterday has come and gone.

What's the hardest part of all this mess? Unexpected changes are holding you down. Don't cut your life out. Before it's too late. For reasons to hold on.

Live your life. Look in the mirror. Everything you love is here. I should have bled. I should start over. But yesterday has come and gone.

And it's hard. Yeah it's hard...

Have you lost yourself completely? Try to make up your mind.

Live your life. Look in the mirror.(In the mirror!) Everything you love is here. I should have bled. I should start over. But yesterday has come and gone.

Have you lost yourself completely? Have you lost yourself? Look in the mirror. Have you lost yourself completely? Have you lost yourself?
