Chorus:

Walk, walk, walk, a-duba dee dub
Jack is back, and he's on top
Walk, walk, walk, a-duba dee dub
Watch the girls, see how they drop

Jack is back

I gotta man whose name is Jack
And I don't know when he's coming back
'Cause every time he goes away
I beg him, Baby, please please stay

I know that he's a scary man
The only guy who really can
Make all the girls drop to their knees
And the fellas pay their fees

Chorus

Musical Bridge

My baby Jack he's the coolest cat
Six feet ten without his hat
No need to say that he looks fine
My mama's proud that he is mine

I know that he's a scary man
The only guy who really can
Make all the girls drop to their knees
And the fellas pay their fees

Chorus

Musical Bridge

Jack is back
Jack is back
Jack is back
Watch the girls, see how they drop

Chorus

Jack is back
