Hello again, friend of a friend, I knew you when  
Our common goal was waiting for the world to end  
Now that the truth is just a rule that you can bend  
You crack the whip, shape-shift and trick the past again

I'll send you my love on a wire  
Lift you up, everytime, everyone, ooo, pulls away, ooo  
From you

Got balls of steel, got an automobile, for a minimum  
wage  
Got real estate, I'm buying it all up in outerspace  
Now that the truth is just a rule that you can bend  
You crack the whip, shape-shift and trick, the past  
again

I'll send you my love on a wire  
Lift you up, everytime, everyone, ooo, pulls a way, oo  
Mechanical bull, the number one  
You'll take a ride from anyone, everyone wants a ride,  
pulls away, ooo from you
