We're looking back on what we've done
And how we've always had some fun,
'Cause we were by each others sides
Most of the time

I know you'll always have my back
That's something that I'll never lack.
Best friends always through thick and thin,
Until the end.

[Chorus:]

And I know (and I know)
We'll make it out somehow,
We'll make it out.
And I know (and I know)
We'll make it out somehow,
We'll make it out of this town now.

You packed your bags and went away,
So now I see you off today.
Now there's this pain inside my heart
'Cause you went so far.
You're now a hundred miles gone,
And I am writing you this song
Of what you truly mean to me,
You're everything.

[Chorus:]

And I know (and I know)
We'll make it out somehow,
We'll make it out.
And I know (and I know)
We'll make it out somehow,
We'll make it out of this town now.

This is our lives right here tonight,
(LETS DO IT RIGHT, LETS DO IT RIGHT)
Standing right by each others sides.
(WE STAND TALL, YOU CAN'T DENY)

[Chorus: x2]

And I know (and I know)
We'll make it out somehow,
We'll make it out.
And I know (and I know)
We'll make it out somehow,
We'll make it out of this town.
