I broke your heart down here in Texas
You said you couldn't stay
I begged you to forgive me as I watched you drive
away
I saw you holding back the tears
Prayed you'd turn around
Now I'm lonely in the Lonestar State
As my teardrops hit the ground

You left a world you were accustomed to
To try and make a life
I prayed so hard you'd like it here
And one day be my wife
But my foolish insecurities made it hard for you to stay
Now I'm lonely in the Lonestar State as I watch you
drive away

That Texas sun just went away and dark clouds fill the
sky
And my heart it feels so heavy as the tears fill my eyes
And there's nothing I can say or do
To make you change your mind and stay
Now I'm lonely in the Lonestar state
As I watch you drive away

I prayed that you would change your mind and forgive
my foolish ways
You'd turn that car around and bring joy back to this
place
But I can see the car get smaller as I watch it fade away
Now I'm lonely in the Lonestar state as I watch you
drive away
Yes I'm lonely in the Lonestar state I don't think your
gonna stay
Yes I'm lonely in the Lonestar state as I watch you drive
away
