e and my brother were playing outside
Rolling and tumbling under clear blue skies
I flipped him and he flipped me
Next thing you know he done ripped his jeans
I said little brother you better not tell
When I saw my mama coming round the well

Mama don't you grab that switch
Oh, Mama don't you grab that switch

Me and my sister were down by the creek
Hey I gave her a scare and she went down on her seat
Her Sunday clothes was a dirty mess
Mama just made that brand new dress
I said little sister you better not tell
When I saw my mama coming down the trail

Oh mama don't you grab that switch
Oh mama don't you grab that switch

I knew I had it coming but no mama no
Round and around and around and around we go
Kickin' and screamin' till she let go
When she's gonna stop nobody knows

Oh mama don't you grab that switch
Mama don't you grab that switch

Ohh mama don't you grab that switch
Mama don't you grab that switch
Mama don't you grab that switch
Mama don't you grab that switch
