Tried online dating
Man, it's so tough
So many beautiful women to talk to, the one just ain't
enough
Made my cool profile
Got everything just right
Can't wait to get online and see if I can get lucky
tonight

Ohh, Ohh it's a wonderful thing
It's like a heaven sent and a dream come true
So many girls and not enough time but it's exactly what
I wanna do

So many messages
Think I'll check 'em all
So far everyone I get is from girls I could call my
grandma

Ohh, ohh this ain't a wonderful thing
I thought the online scene would be great
Think I head to the local bar and try my luck there at
getting a date

Ohh, Ohh it's a wonderful thing
It's like a heaven sent and a dream come true
So many girls and not enough time but it's exactly what
I wanna do

Ohh it's a wonderful thing
It's like a heaven sent and a dream come true
So many girls and not enough time but it's exactly what
I wanna do
It's exactly what I wanna do
Oh, it's exactly what I wanna do
