I remember the day you told me that you loved me  
It blew me away, blew me away  
Never dreamt a girl like you could want me  
It was a wonderful day, such a wonderful day

But as years went by  
I pushed my dreams aside  
To try to give you everything your heart desired  
And as time went by  
You said your life's a lie  
And you never really wanted this and you left without a  
try

So can you tell me  
Is it so much better now  
Did it work out like you planned it  
Is it all you dreamt about  
I wonder if you think of what you had and what you've  
lost  
So can you tell me  
Is it so much better now

So much better now

You chose the path that many follow  
To try to fill your hearts' desire  
Oh what a ride, what a beautiful ride  
But now your pleasure's filled with sorrow  
As you walk into the fire  
You played for a price, oh what a price

Does it cross your mind  
That there was a time  
That the life you had was filled with peace and love  
And do you ever think  
This life I what you need  
And you sit there all alone, have you finally had enough

So can you tell me  
Is it so much better now  
Did it work out like you planned it

Is it all you dreamt about  
I wonder if you think of what you had and what you've  
lost  
So can you tell me  
Is it so much better now

So much better now  
So much better  
So much better now
