Rock for a little bit Fly for a little bit Plot for a little bit
Make it contagious Rock for a little bit Fly for a little bit
Plot for a little bit Make it conta People in the city get
They try to treat you like an idiot Try to hate us (try to
play us) Rock for a little bit Buck for a little bit Make it
contagious (make it outrageous) I'm outraged by the
way they came If they try to change us (they try to
rename it) You wanna see a fix You get the CD, it's Tuck
You In for Your Ride (go ahead play it) Rock for a little
bit Fly for a little bit Plot for a little bit Make it
contagious Rock for a little bit Fly for a little bit Plot for a
little bit Make it conta Look at the way I say it, play it,
out right lazy (go and say it) Rebel to conformity Rivals
gonna like more of me And maybe we were born to be
(and maybe be made famous) I'm not saying my body
is shameless And I'm not saying (I'm laying with Satan)
You can be a lame MC, if you stay the same degree
Blaze and burn hopelessly Really can't save ya Rock for
a little bit Rock for a little bit Rock for a little bit Rock for
a little bit Rock for a little bit Rock for a little bit Rock for
a little bit Rock for a little bit Fly for a little bit Plot for a
little bit Make it conta Rock for a little bit Fly for a little
bit Plot for a little bit Make it contagious Rock for a little
bit Fly for a little bit Plot for a little bit Make it
contagious Rock for a little bit Fly for a little bit Plot for a
little bit Make it contagious Rock for a little bit Fly for a
little bit Plot for a little bit Make it conta
