As I stare at the trees

I see one fall down on my hand

As I start to explore

I can't ignore a man

He turns his head around

His face was all worn by the sun

[chorus]

I'm going out for a while

So I can get high with my friends

I will

I'm going out for awhile

Don't wait up cause i won't be home

Today

Drifting down a road

Losing myself in a dream

Feel my hands getting cold

Sat in a boat on a lake

[chorus]

I'm going out for a while

So I can get high with my friends

I will

I'm going out for awhile

Don't wait up cause I won't be home

Today

Climbing up trying my best

As I sink

Climbing up trying my best

As I sink again

Lying back on the floor

Reaching up high into space

See myself in a glass

I'm counting the lines on my face

Again

I'm counting the lines on my face

Again

[Chorus x2]

I'm going out for a while

So I can get high with my friends

I will

I'm going out for awhile

Don't wait up cause i won't be home

Today

I'm going out for a while

So I can get high with my friends

I will

I'm going out for awhile

Don't wait up cause i won't be home

Today

Today, Today, Today, Today, Today...
