Because of you  
the tears dead in my eyes  
they freeze until I'm blind  
the eyes a gift from you

because of you  
the scratches on my face  
will never be erased  
by someone else's warmth

because of you  
the winter feeds my heart  
while summer blows and burns  
my disappearing youth

My loooooove is gone  
Never feel again  
because of loooooove  
I feeeeel nothing

because of you  
I'll never feel again  
the agony of pain  
will never bruise or start  
Because of you  
our passion tends to lead  
with all my lovers fate  
with pieces from my heart

My loooove is done  
never feeeeel again  
because of loooooove  
I feeeeeeeel nothing

Because of loooooove  
I feeeeel nothing

because of you  
because of you  
because of looooooove  
I feeeeel nothing  
because of looooooove

I feel nothing
