[Chorus: Dia]

Believe me! It's our TIIIIIME now to let 'em know
(WHAT?!) It's our TIIIIIME now to let 'em know
Believe me! It's our TIIIIIME now to let 'em know
(WHAT?!) It's our TIIIIIME now..

[DMX]

I like my blunts heavily hashed, bitches heavily assed
Joints ready to stash, got 'em ready to blast (WHAT?!)
Give 'em plenty and pass, the thing off (woo!) toss that
Get pulled over, we already lost that, of course black
(uh!)
Floss that, lose that, get that? Come up off that
You ain't choose that, but you with that, now spit back
(c'mon)
Y'all niggaz got me all wrong (WHAT?!)
I'm still a grimy nigga (WHAT?!)
and I still give it to you, on your song (WHAT?!)
I let you niggaz live for a minute, you get goofy
Told you go 'head, drop a few albums, I'll do a movie
(aight)
But when I come back, c'mon dog, respect my slot
(UHH)
Ain't no get in where I fit in, bitch I'm straight to the top
(aight)
And whoever don't like it, FUCK YOU FAGGOT, bring it!
(WHAT?!)
Nigga don't wanna walk it but, stay tryin to sing it
What I gotta start smackin you guys around again?
Don't make no motherfuckin sense, y'all some grown
ass men!

[Chorus]

[DMX]

I don't play with you cats like I used to
Cause well I ain't your father (uh-huh)
This time it's gon' be a little harder
Told niggaz to "Do You", courtesy of Flex
Put out "... And Then There Was X" and then there was
X

And then there was X again, ain't my next of kin
Just some hardheaded dickridin grown-ass men (uhh,
uhh)
C'mon with the bullshit (WHAT?!) please, don't touch
that
You might, bust yo' gun dog but we bust back (aight)
And what's that, a lot of dead homies
That ain't yours (UHH) leave it alone, you don't know
me
Respect the nine or catch a wreckless twenty-nine (ahh)
For every bone in your spine (ahh) make a nigga
recline (ahh)
This whole rap shit is mine (WHAT?!) and I'm not sharin
(uhh)
Niggaz gettin popped every day, not carin (woo!)
Peep niggaz starin, but they don't want NUTTIN
Nowadays niggaz get it for frontin, motherfucker!
Cocksuckin-ass niggaz!

[Chorus]

[DMX]

Now there's a lot of - bitch niggaz that's rich niggaz I

(uhh) Pick niggaz and hit niggaz I lift niggaz (uhh, uhh)
Wannabe player, stay in the park
Cause the grownups is over here, and we drinkin

Ain't with the game shit (uhh) bust leave a stain shit

Some niggaz married to the game
Nigga like me? Married to the same bitch (c'mon!)
I'm a dog from the hood, so I gotta rap from the hood
Put a snake and a cat to the wood
MAN!! if you, only knew
WHAT IT IS!! that I'm, goin through
WHEN IT IS!! that I'm, goin through it
You ain't gon let me get ahold of that thing, cause I'ma
