Visit "[Carmen Queasy](#)" on MotoLyrics.com

My vision is distorted by my sleazy mind  
To picturesque an image to control this time  
My intimate discriminating fears you test  
My ignorance that truly feels it knows me best  
You have the power but you keep it all to yourself  
Your lust is decomposing us

The intricate sincerity is choking me  
Its crumbling and crawling all around my feet  
It wasn't jump from lie to lie to cover me  
But could a bullet tell her just evading me  
You have the power but you keep it all to yourself  
Your lust is decomposing us

So now you're telling me its all damn easy  
Try to see yourself as carmen queasy  
'Cos money making is a wonderful thing  
Money making is a wonderful thing  
I don't want to be a marketed baby  
Try to see yourself as carmen queasy  
'Cos money making is a wonderful thing  
Money making is a wonderful thing

Carmen Queasy, I don't wanna be ("Don't wanna be"  
echoing 4 times)

I'm flinging out some rhythms in a cultural scare  
Suffocating, still frustrating like we care  
Dissecting all who analyse and empty heart  
Just spiting out some more with dreams of calling it art

You have the vision but you keep it all to yourself  
Your lust is decomposing us

So now you're telling me its all damn easy  
Try to see yourself as carmen queasy  
'Cos money making is a wonderful thing  
Money making is a wonderful thing  
But I don't wanna be a marketed baby  
Try to see yourself as carmen queasy  
'Cos money making is a wonderful thing  
Money making is a wonderful thing

Money making, money taking  
We don't have a choice  
But we still have a voice  
Antagonists, life is too short  
Twist deform and distort  
And bring their brains into my seminar  
Where there making music making failure  
Gotta take back whats mine (gotta take back)  
Keep chocking and holding, provoking  
My life style you be smoking

So now you're telling me it's so damn easy  
Try to see yourself as carmen queasy  
Coz money making is a wonderful thing  
Money making is a wonderful thing  
I don't want to be a marketed baby  
Try to see yourself as carmen queasy  
Coz money making is a wonderful thing

Money making is a wonderful thing  
Money making is a wonderful thing  
Money making is a wonderful thing  
Money making is a wonderful thing  
Money making is a wonderful thing
