I awake from blood thick dreams
Washing blame from my knees
Softly done, so secretly
I'm awake as Charlie sleeps

A lone brother, a lone sister
A home cover, alone

I awake
Dry the scream
Spit the vile breath
Till my tongue bleeds

Thinks it's all gone, famously
Broke the hard girl
Good to please

A lone brother, a lone sister
A home cover, alone

Tell it like it is, tell it like it is
Tell the sordid truth, tell them
Tell it like it is, tell them

A lone brother, a lone sister
A home cover, alone

Alone, alone
Alone, alone
