You see these eyes, they're darn to hurt
I want to crush you, what you gave birth
I want the power without the grace
I want to have you for your sweet taste

I'm big brother, I'm watching you
I'm big brother, I'm watching you
I have your face inside my eyes
I'm big brother, I'm watching you

I can't resist to fuck you up
You're named and numbered, I've got the lot
You're on your face, you're in that dirt
I'm burning through what you convert

I'm big brother, I'm watching you
I'm big brother I'm watching you
I have your face inside my eyes
I'm big brother, I'm watching you

Feed on the world
Feed on the world
Feed on the world
Feed on the world

You are the last man alive
You are the last man alive

I want the power, I want control
I want your life, want you to know
There's nothing you can think to do
'Cause I'm big brother and I'm watching you

I'm big brother, I'm watching you
I'm big brother, I'm watching you
I have your face inside my eyes
I'm big brother, I'm watching you

I'm big brother, I'm watching you
I'm big brother, I'm watching you
I have your face inside my eyes
I'm big brother, I'm watching you
