Lost infidelity

We've never said a word
So black, and white you see
It's all the lies we've heard

In my mind nothing makes sense
I'm nothing you can't have
Cracked up to disagree
It's all we've ever had

You, only you, only you
Only you can't be the one
Only you, only you
Only you can't be the one

Your secret smile so quaint
In memories foretold
Laughing so viciously
Your conscience has been sold

In my face there's no more joy
I'm all that I should be, be, be
Cracked infidelity
That's all you are too me

You, only you, only you
Only you can't be the one
Only you, only you
Only you can't be the one
Be the one
Be the one
Be the one
Oh

We don't talk anymore
We don't talk anymore
We don't care anymore
We don't care

You, only you, only you
Only you can't be the one
Only you, only you

Only you can't be the one
Only you, only you
Only you can't be the one
Only you, only you
Only you can't be the one
