Isn't there the same effect
Down painkillers to climb the stairs
Throw me just another week
To cling onto reality
I find the others standing
Your additives are banging
Love to stop demanding
I did it for yourself
My only sense of power
Gets stronger by the hour
I don't have to suffer
You did it for yourself

Hey, hey, hey
Hey, hey, hey
Hey, hey, hey

Sucking up to kick away
Your selfish, sluggish, dirty ways
You waste your life while wide awake
You don't want another same mistake
I finally understand it
Your additives are banging
Love to stop demanding
I did it for yourself
My only sense of power
Gets stronger by the hour
I don't have to suffer
You did it for yourself

I finally understand it
Your additives are banging
Love to stop demanding
I did it for yourself
My only sense of power
Gets stronger by the hour
I don't have to suffer
You did it for yourself (Hey, hey, hey)
You did it for yourself (Hey, hey, hey)
You did it for yourself (Hey, hey, hey)
You did it for yourself (Hey, hey, hey)

You did it for yourself (Hey, hey, hey)
You did it for yourself (Hey, hey, hey)
You did it for yourself (Hey, hey, hey)
You did it for yourself (Hey, hey, hey)
