Make no mistake

 I'm bringin' you fire

I still attend
 I still attend
 I still attend
 The church of loose

I've got the chills
 I got the chills
 I got the chills
 I am inspired

I feel the truth
 I feel the truth
 I feel the truth
 Here in my bones, bones, bones, bones

We're Gonna Tear the Place Up Up Up Up
 We're Gonna Tear the Place Up Up Up Up
 You're gonna feel it in your Face Up Up Up
 Up
 We're Gonna Tear the Place Up Up Up Up
 Up Up Up

I'm on the roll
 I'm on the roll
 I'm on the roll
 I'm feeling it juicy, fruity

Just understand
 Just understand
 Just understand
 This aint your home, no home.. no!
 I'm still a freak
 I'm still a freak
 I'm still a freak
 Go shake your head out
