You have seen me lie  
You have seen me crucify respect  
Seen redundant eyes  
Seen the tension stagger to the mike

Made the bed too high  
Have to slud on matey floors of sin  
Slap the face, too sane  
See the face, too wet as I deny myself, deny

Get off, get off me, get off, get off me  
Get off, get off me, get off, get off me

Bet you're posing hard  
So secure, a smacked up cuntie bitch  
Now you're stuck for words  
Scrambling for sarcastic wit

But I got that special knowledge  
Of the crap that makes your skank head tick  
All that brave you like, all that shirty pretense  
You deny yourself, yourself, yourself, deny

Get off, get off me, get off, get off me  
Get off, get off me, get off, get off me

Get off, get off, get off, get off

Get off, get off me, get off, get off me  
Get off, get off me, get off, get off me, off
