The sweeter the taste, I love it  
Eaten your gutted spine  
All of your thoughts I have them  
Spitting them out, sublime  
'Cos I am the God of power  
Political to the core  
Governments roll their heads out  
The beast always wants some more

I love it  
He loves it  
We love your apathy  
We crush your  
Lame spirit  
We love your apathy  
Lovely, ahh

I have the information  
That keeps you from knowing me  
I abuse you as you watch me  
And you always vote me in  
The poorer you are, the better  
That gives me more control  
'Cos I am the brute that hates you  
And I'm loving it to the bone

I love it  
He loves it  
We love your apathy  
We crush your  
Lame spirit  
We love your apathy

Why don't you wait till you bleed?  
Why don't you wait for the clause?  
And I'll, and I'll, and I'll  
And I will watch you

I will wait  
I will wait  
I will wait for you  
I will wait

I will wait  
I will wait for you

I love it  
He loves it  
We love your apathy  
We crush your  
Lame spirit  
We love your apathy

I love it  
He loves it  
We love your apathy  
We crush your  
Lame spirit  
We love your apathy  
Why don't you wait?

I love it  
He loves it  
We love your apathy  
We crush your  
Lame spirit  
We love your apathy
