( Pale 3 featuring Skin )

I sit and wait  
While you fight this man  
You taste when kissing me

I use this time  
To pace throw how days  
Before our life begins  
Then youll see that Im your god  
Corrupt your soul and  
Let the blood go

You cant find peace  
Without my persistence  
Ill break my resistance  
I see in you  
Theres no release  
Whithout my incredible resilience  
To your will to grieve

Believe in me  
I won't crush your beauty  
I'm just lick it clean

Dont try to fall  
'Cause Ill crawl the wind you're (?)  
Harder than Ill show  
Devastation I will find  
Dreaming afraid than your ??

You cant find peace  
Without my persistence  
Ill break my resistance  
I see in you  
Theres no release  
Whithout my incredible resilience  
To your will to grieve

You cant find peace  
Without my persistence

Ill break my resistance  
I see in you  
Theres no release  
Whithout my incredible resilience  
To your will to grieve
