Survived, tonight I may be going down
Cause everything goes round too
Tight, tonight and as you watch me crawl
You stand for more

And your panic stricken
Blood will thicken up, tonight

'Cause I don't want you to forgive me
You'll follow me down
You'll follow me down
You'll follow me down

Survive, tonight I see your head's exposed
So we shall kill constructive might
It's alright as your emotions fool you
My strong will rule

And your panic stricken
Blood will thicken up, tonight

'Cause I don't want you to forgive me
You'll follow me down
You'll follow me down
You'll follow me down

I won't feel restraint
Watching you close sense down
I can't compensate
That's more than I've got to give

And your panic stricken
Blood will thicken up, tonight

'Cause I don't want you to forgive me
You'll follow me down
You'll follow me down
You'll follow me down

'Cause I don't want you to forgive me
You'll follow me down
You'll follow me down

You'll follow me down
