[Jesse]

Well this city's got me shaken up  
I can't get, I can't get enough  
We're living, we're living it up  
We're breaking in while they're breaking up

[Kyle]

California's calling my name  
So let's get it moving, get up while we can

[Together]

Whoa! I would die to see the look in you eyes, it's me  
Whoa oh! As we leave it all behind  
Hold tight, and break ties  
As we sing out our normal lullabyes

[Jesse]

Well there's something in your eyes that makes you a  
wild back design  
Things'll be alright if you sleep by my side  
Something tells me we were meant for something  
bigger than us

[Kyle]

California's calling my name  
So let's get it moving, get up while we can

[Together]

Whoa! I would die to see the look in you eyes, it's me  
Whoa oh! As we leave it all behind  
Hold tight, and break ties  
As we're shouting out our normal lullabyes

[Jesse]

This was not, what they had in mind for us  
It wasn't, who cares anyway  
We've become, such a simple dream  
And I won't be woken up  
So join in, and listen so hard  
This is just the beginning {x2}

[Together]

Whoa! I would die to see the look in you eyes, it's me

Whoa oh! As we leave it all behind

Hold tight, and break ties

As we're shouting out our normal lullabyes
