How did we get here
I never want this to turn into three years
How did we go for so long without true love
I guess we are breaking up
I have been wasting all my time
Trying to pretend that you are not my type
Telling you I love it was all just a lie
Not I am desensitize it is no feeling
Is like we are paralyze
Baby I a realize I am not feeling you
I am not the only you I am not feeling it
Feeling it feeling it
There is no feeling feeling feeling

Where do we go for me here
We finally kept it one hundred
All these years you were running from me
Cause we both now running won't save you
Don 't let... everything is ay to
We were pretending the smiles and fake kisses
But you... sense now there is no fame in my heart
And my heart is apart the feeling is...
Desensitize it is no feeling
Is like we are paralyze

Baby I a realize I am not feeling you
I am not the only you I am not feeling it
Feeling it feeling it
There is no feeling feeling feeling

Ok I am gonna cut to the chase
I am not feeling this
Where the fuck our feelings went
How did the fuck they disappeared and shit
... that is a fucked up magic trick this is gonna... your
ass
I can't even imagine it imagine this me we can get
along
I have been dealing with you so fuck alone I forgot what
is like to feel alone
... to make two right to make it wrong I have been too

wrong to make it right
... and a little fight leads to my... still don't feel right
Desensitize it is no feeling
Is like we are paralyze
Baby I a realize I am not feeling you
I am not the only you I am not feeling it
Feeling it feeling it
There is no feeling feeling feeling
