Baby love is getting cold, help me!  
My head is down, so she...  
I had to go away tonight,  
Cause I got a feeling, my days are numbered  
This might be the day  
I close my eyes for eternal sleep,  
No more waking of the sunday morning,  
Now lived a lot, learnt a lot,  
Tonight, I'm...

[Chorus:]

This is my last kiss, my last wish,  
My last chance, my last dance,  
My last kiss to give you,  
My love is to last..  
Spend the rest of my life with you tonight,  
Spend the rest of my life with you tonight,  
Spend the rest of my life with you tonight,  
Spend the rest of my life with you tonight!

I close my eyes for eternal sleep,  
No more waking up the sunday morning,  
Now I lived to learn, I learned a lot,  
Tonight I'm...

[Chorus:]

This is my last kiss, my last wish,  
My last chance, my last dance,  
My last kiss to give you,  
My love is to last..  
Spend the rest of my life with you tonight,  
Spend the rest of my life with you tonight,  
Spend the rest of my life with you tonight,  
Spend the rest of my life with you tonight!

I close my eyes for eternal sleep,  
No more waking up the sunday morning,  
Now I lived to learn, I learned a lot,  
Tonight I'm...

[Chorus:]

This is my last kiss, my last wish,  
My last chance, my last dance,  
My last kiss to give you,  
My love is to last...  
Spend the rest of my life with you tonight,  
Spend the rest of my life with you tonight,  
Spend the rest of my life with you tonight,  
Spend the rest of my life with you tonight
