Oh it's like a pistol grip pump on my lap at ah shit

I ain't even black,
But I'll kill, cause I want to.
Then I'm gonna muthafuckin shoot you,
I'm gonna fuck my hoes smoke some weed, oh(3X)
I said I'm gonna do my hoes smoke some weed, oh(3X)
I'm gonna get high, get loose
Stick my dick in and get some pussy juice
Cause I'm a white nigger
White niggers on dem triggers, what da hell
White niggas on a trigger and them bitches bringing
down yo city
Oh I got the white nigger, black nigger, I even seen a
mexican nigger
Ever seen a choock nigger? no nigger
(I seen a nigger in the Bahamas)
Oh yeah we got the B niggers the G niggers and the W
niggers
But I'm gonna be a White (White niggas yeah) nigga
(Oh hi mom)
