He stood by the bedroom door, laughing at the things
he saw.

It just hovers over me, it just hovers over me.

You come down and crush my body with your stinking
mouth.

Oh no, this is secret and it's coming out.

It's like a pig with broken teeth, it's like a camera
stealing your face.

I want only to repel, I time travel against my will.

You come down and crush my body with your stinking
mouth.

Oh no, this is secret and it's coming out.

I don't, I don't want you, I don't want you in my dreams.

You don't ever ask, you just let yourself in.

He stood by the bedroom door, laughing at the things
he saw.

It just hovers over me, it just hovers over me.

You come down and crush my body with your stinking
mouth.

Oh no, this is secret and it's coming out.

I don't, I don't want you, I don't want you in my dreams.

You don't ever ask, you just let yourself in.
