### "Make Us Old"

You'll wait until the fire rushes in and burns the clothes  
that you were buried in.  
So shut the door and it was all a dream.  
I promise darling, you won't know anything.  
"Let it be forgotten, like a fire, like a fire.  
Let it be forgotten, like a fire."  
Fall out of time and forget all your friends.  
Why are you crying? You must not understand.  
Forget my voice, because I ask you to.  
It never happened, I swear to you.  
"Let it be forgotten, like a fire, like a fire.  
Let it be forgotten, like a fire, like a fire.  
Let it be forgotten, forever and ever.  
Time is a kind friend, he will make us old."  
Without a web you struggled in the air.  
There is no wolf, so don't be afraid.  
There is no wolf.  
If you just let me, I'll leave forever.  
If you just let me sleep, I'll sleep forever.
