Oh my darling boy, aren't you ever tired?
Could you agree to lie on this bed forever? On this bed
forever...
Darling, drag me under.
Outside are colored lights and sympathetic liars.
Could you agree to hide on this bed forever? On this
bed forever...
Darling, drag me under.
Darling, drag me under.
Oh my spider bite, small and red and precious.
Could you agree to lie on this bed forever? On this bed
forever...
Darling, drag me under.
Darling, drag me under.
Darling, drag me under...
