If you don't take a single bite, you'll never know what it was like.

You'll never know what it was like, you'll never know what it was like.

Save yourself, save yourself, you're a fever melting fast.

If you don't take a single bite, you'll never know what it was like.

I will jump into the fire, and I will get what I deserve.

Save yourself, save yourself, you're a fever melting fast.

See the greasy world go sliding off of you.

Then the greasy world will matter not at all.

Climb the snake charmer's rope, climb the snake charmer's rope.

I will jump into the fire, and I will get what I deserve.

Save yourself, save yourself, you're a fever melting fast.

See the greasy world go sliding off of you.

Then the greasy world will matter not at all.

Will matter not at all [x3]
