Water, water, water, water...

As far as the eye can see, as far as the ear can hear.

Waves are whispering to me, and this lake is like a shadow that can rise and breathe.

And I swam and kissed your mouth, and you gave your heart to me.

With your fingers trailing water, and your dialated eyes.

Water, water, water, water...

As far as the eye can see, as far as the ear can hear.

Waves are whispering to me, and this lake is like a shadow that can rise and breathe.

And I swam and kissed your mouth, and you gave your heart to me.

With your fingers trailing water, and your dialated eyes.

If it lets up for an hour...

Water, water, water, water...

As far as the eye can see, as far as the ear can hear.

Waves are whispering to me, and this lake is like a shadow that can rise and breathe.

And I swam and kissed your mouth, and you gave your heart to me.

And you gave your heart to me.
