'Cuz I try

'Cuz I try

Could you be holding out for something more?
Maybe I'm not what your looking for
But I'll be waiting if you change your mind
And everybody tells me it's just a waste of time

And if I give up hope
Well then I might as well lay down and die
And that's why I'm asking

Why you always push me away?
'Cuz I try to do the best I can for you
So I'm asking, why you always push me away?
'Cuz I try to do the best I can for you

Seems like I've known you forever
But still you don't know I'm alive
Why can't we just be together?
'Cuz it seems the world was made for you and I

And if I give up hope
Well then I might as well lay down and die
And that's why I'm asking

Why you always push me away?
'Cuz I try to do the best I can for you
So I'm asking, why you always push me away?
'Cuz I try to do the best I can for you

I just called 'cuz I was thinking about you
I just called 'cuz I was thinking about you

You got to let me know if I'm getting through
And you know that I'm only just a step away from crazy
This is what you do to me

Why you always push me away?
'Cuz I try to do the best I can for you
So I'm asking, why you always push me away?
'Cuz I try to do the best I can for you

Why you always push me away?
'Cuz I try to do the best I can for you
So I'm asking, why you always push me away?
'Cuz I try to do the best I can for you

Why you always push me away?
'Cuz I try to do the best I can for you
So I'm asking, why you always push me away?
'Cuz I try to do the best I can for you

Why you always push me away?
'Cuz I try to do the best I can for you
So I'm asking, why you always push me away?
