"Among The Dead"

When the world
Is getting older
And the wind's are
Blowing colder still

The mountain side
Will shake and fall
Into the ocean goes
The canyon wall

Skies so blue
Will turn to red
And I'll search for you
Among the dead

Ashes of the people
Swept away
To where the people
Go to pray

The sirens ring out
Like the moaning
Of a thousand broken souls

The clouds burst
Open giving forth to
Neverending light

The buildings lit
Like lanterns showing
The way for the lost
To find their homes

The fires keep on burning
Burn straight
Through the night

Skies so blue
Will turn to red
And I'll search for you
Among the dead

Ashes of the people
Swept away
To where the people
Go to pray
