Demon's eyes are what you got  
Shook my soul, pierced my heart  
Black as night and plain as day  
Don't need love to see my way

Oh but I need you  
Oh girl, you know it's true  
Oh babe you gotta believe me  
The only girl I'll ever want is you

Hunters eyes, cold as stone  
Tired and weary of being alone  
The river rose and the band played on  
I'll be fine just as long

As you need me  
Like a leaf needs a tree  
Oh babe you gotta believe me  
I'm the only boy you'll ever need
