Watch me daddy, watch me move like a snake (Like a Snake)  
Watch me daddy, watch me move like a snake (Like a Snake)  
Watch me daddy, watch me move like a snake (Yeah)  
You'll get hypnotized, (uh huh) and mezmorized

[Verse 1]

I'm gon' move dis body cuz I'm gon' take care of home  
Yeah, I'm talkin' bout my man cause I don't want him to roam  
So I got to make him feel good and please all his needs  
Know what I'm sayin' he can get something out of me  
As long as he twork me, (uuh) long as he works me (yeah)  
Got me feeling all so good even when he hurt me  
Cause he put it on me, just like I put it on you  
What dis body, it might hypnotize you  
You see me shakin' dat ass, tworkin these hip (these hips)  
Mayn lickin' my lip, mayn ain't I a trip  
While I'm rubbin my monkey and smackin' my ass  
Got your soldier standing ten hut ready to blast on me
