I'm so tired I could sleep  
I'm so hungry I could eat  
I'm too drunk to stay on feet  
But I'm too young to rest in peace

Grab the lion by it's tail  
Fangs are pointed in your way  
Hired in, you're fired out  
Have no reason, have no doubt

I'm talking bout bluebirds  
Wingsized 10 / 9

Behold the truth with someone else  
Who's writing dictionarys well  
But who cannot read or even spell  
Directions to a wishing well

I'm talking bout bluebirds  
Wingsized 10 / 9
