I'm calling, wanting you near  
You're stalling, I feel you fear

You've been hurt before  
I understand why you're insecure  
I'm falling 'cos I'm so sure

Come on, come on, come on  
Come in closer now  
Tell me what you got to lose

Come on, come on, come on  
Come in closer now  
How can you refuse me?

I'm flying and you could be too  
But you're crying, what's holding you?

Come on, come on, come on  
Come in closer now  
Tell me what you got to lose

Come on, come on, come on  
Come in closer now  
How can you refuse?

Love is calling  
Open up and let life shine  
I'm calling

Come in closer now  
Tell me what you got to lose  
Come in closer now

Come on, come on, come on  
Come in closer now  
Tell me what you got to lose

Come on, come on, come on  
Come in closer now  
How can you refuse me?
