Cruella De Vil  
Cruella De Vil  
If she doesn't scare you  
No evil thing will  
To see her is to  
Take a sudden chill  
Cruella, Cruella De Vil

This vampire bat  
This inhuman beast  
She ought to be locked up  
And never released  
The world was such  
A wholesome place until  
Cruella, Cruella De Vil

At first you think  
Cruella is the devil  
But after time has worn  
Away the shock  
You come to realize  
You've seen her kind of eyes  
Watching you from underneath  
A rock!

Cruella De Vil, Cruella De Vil  
If she doesn't scare you  
No evil thing will  
She's like a spider waiting  
For the kill  
Cruella, Cruella De Vil

Her name will even haunt you when your sleeping  
She comes around everyone will freak  
Her voice is ment to scare  
There's horror in her stair  
Hoping that she wont come after me

At first you think  
Cruella is the devil  
But after time has worn

Away the shock  
You come to realize  
You've seen her kind of eyes  
Watching you from underneath  
A rock!

Yeah  
You come to realize  
You've seen her kind of eyes  
Watching you from underneath  
A rock!

Cruella De Vil  
Cruella, Cruella De Vil  
Have you ever heard of a girl named Cruella?  
Well shes as bad as they get  
Oh Cruella De Vil  
Oh Cruella De Vil  
A woman like that can ruin your whole day
